*We are Basic Academy of International Studies Cheer Team, located in Henderson, NV. Cheerleaders are the heart and spirit of Basic Academy.*

*Our program is crucial in upholding school spirit, modeling good sportsmanlike behavior and leadership. Our cheerleaders develop positive relationships between schools during athletic events, and uphold the highest standards-academically, personally, and athletically within the school and community.*

*Many of our students face many outside challenges that they cannot control, however, Basic Academy is one of the places these kids know they are loved, safe, and encouraged to do their best! We have some amazingly talented cheerleaders that have been given an awesome opportunity to allow their inner light to shine! To continue to provide our cheerleaders with the best, we need your help!*

*Community support is so important to our cause! We are in need of water, Gatorade, and snack donations. Donations directly affect athletes and community families by lowering expenses. Your donation helps support these athletes as they represent their school and our beautiful community. Your participation will have far reaching effect, as we watch these athletes grow into future community leaders.*

*Thank you so much for your consideration in supporting Basic Academy Cheerleaders! We have such high hopes and huge goals for 2019-20 cheer season.*

*Thank you in advance for your generosity!*
